Re: Rationale for agenda add on item

---

I am requesting that proposed Ordinance D-1832-06 be added to the council agenda for our meeting of the 3rd.

This item is very important to the business of the city and the welfare and safety of our citizens. The parking situation I am seeking to remedy presents a very serious safety hazard during certain times of the week. I hope my colleagues agree that a delay in introducing this important business is unwarranted. I know your office has copies of this ordinance and I appreciate your assistance.

By copy of this memo I am notifying the Mayor, members of the Council and the press.

Please feel free to call with any questions.
